

Equipment Warranty

Colorado Time Systems warrants the following products against any defects in materials and workmanship affecting electronic and mechanical performance for two years from the date of purchase: Timing Consoles, Start Systems, Touchpads, Relay Judging Platform, Shot Clocks, Pace Clocks, LED and Light Reflective Scoreboards, and Matrix Displays.

All other components associated with the above equipment including cable harness, deckplates, wallplates, push buttons, test meters, microphones, speakers, data cable, etc. will have a one-year limited warranty. Dolphin Wireless Stopwatch Systems are also warranted for one year; not including the batteries. Any computer equipment associated with the above products has a six-month limited warranty.

Colorado Time Systems' products, when properly installed, are warranted not to fail due to defects in materials and workmanship. This warranty is limited to the original purchaser of the product and is not transferable.

Colorado Time Systems will, at its option, repair or replace the defective product at no additional charge except as set forth below. Repaired components, parts, and replacement products will be furnished on an exchange basis and will be either reconditioned or new. All replaced parts and products become the property of Colorado Time Systems. This limited warranty does not include service to repair damage to the product due to the modification of the product, misuse, abuse, neglect, negligence, vandalism, accident, or abnormal conditions including: war, flood, accident, lightning or other acts of God or damage caused by occurrences over which Colorado Time Systems has no control.

Limited Warranty service may be obtained by delivering the product or component part to Colorado Time Systems. You agree to insure the product or assume the risk of loss or damage in transit, to prepay shipping charges to the service location, and to use the original shipping container or equivalent. Repaired products will be returned to you by surface delivery at Colorado Time Systems' expense or by air freight at the buyer's expense. On-site service calls are available for a fee.

All expressed and implied warranties for these products including the warranties of merchantability and fitness for a particular purpose are limited in duration to a period of two years (or one year, as applicable), from the date of purchase and no warranties, whether expressed or implied, will apply after this period. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

If the product is not in good working order as warranted above, your sole remedy shall be repair or replacement as provided above. In no such event will Colorado Time Systems be liable to you for any damages, including lost profits, lost savings, or other incidental or consequential damages arising out of the inability to use the product, even if Colorado Time Systems has been advised of the possibility of such damages or for any claim by any other party.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty give you specific legal rights, and you may also have other rights which may vary from state to state.
